

3D Time: From Transportation to Physics *Series Introduction*

Ralph Gillmann

isoul.org

© R Gillmann 2018

Background

- 3D time in transportation
- *But is this scientific?*
- 3D time in physics
- Introductory video series
 - focus on elementary concepts
- 3D time as obvious as 3D space
 - space is length & direction
 - time is duration & direction

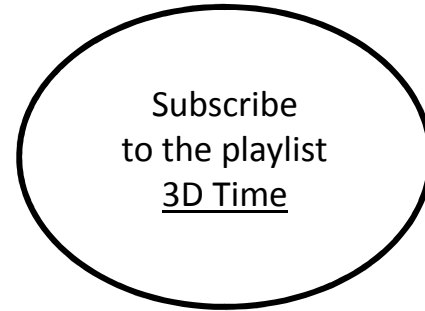

2

Videos on 3D Time

- Part 1: Show Me
- Part 2: Objections
- Part 3: Kinematics I
- Part 4: Kinematics II
- Part 5: Dynamics
- Part 6: Orbits
- Part 7: Relativity
- Part 8: 6D spacetime
